Picture yourself on a boat near a castle,  
Where broomsticks and owls rocket through the sky.  
Somebody calls you, you answer quite slowly,  
A boy with a scar 'tween his eyes.  
Magical candles illuminate the scene,  
Hovering over the hall.  
Look for the boy with the scar on his head,  
And he's gone.

Harry in the sky with Bludgers,  
Harry in the sky with Bludgers,  
Harry in the sky with Bludgers,  
Ahhhhhh-ahhh...

Follow him down to a hut by the Forest,  
Where half-horse people watch the stars in the sky.  
Everyone gasps as he strolls past the spiders,  
Which grow nearly twenty feet high.  
A flying Ford Anglia lands near the hut,  
Waiting to take you away.

Climb in the back and you soar past the clouds,  
Then you're gone.

Harry in the sky with Bludgers,  
Harry in the sky with Bludgers,  
Harry in the sky with Bludgers,  
Ahhhhhh-ahhh...

Picture yourself on Platform 9 3/4,  
Where new Hogwarts students board the train in lines.  
Suddenly someone appears at the turnstile,  
The boy with the scar 'tween his eyes.  
A flying Ford Anglia lands on the tracks,  
Waiting to take you away.  
Climb in the back and you soar past the clouds,  
Then you're gone.

Harry in the sky with Bludgers,  
Harry in the sky with Bludgers,  
Harry in the sky with Bludgers,  
Ahhhhhh-ahhh...
