No mirror, lie to me. Bring me back the things I see. - 2x

You say you show me what I want. The deepest,
yearning part of my heart.

I see my long past dad and mum. Because he killed
them before their time here was done.

I hate the Dursleys, want my parents, I won't see them
again.

What do I have to do to let me win?

Mirror, mirror, standing on the floor. Why is it my
parents, compared to money, I want more? Mirror,
mirror, I wish you could lie to me, and bring my parents
back. Bring my parents back to me.

No mirror, lie to me. Bring me back the things I see. - 2x

Why did I come back every night? So I could have my
dead parents in my sight.

I knew I couldn't get them back. There was no spell
that I could use to change the past.

I hate the Dursleys, want my parents, two who'll love
me, I know.

My true feelings, I keep inside me, won't let show.

Mirror, mirror, standing on the floor. Why is it my
parents, compared to money, I want more? Mirror,
mirror, I wish you could lie to me, and bring my parents
back. Bring my parents back to me.

If only wishes could be dreams and all my dreams
could come true, my mum and dad would be here with
me in front of you. If I could know them, to be with them
every day, a big price, I'm willing, I'm willing to pay.

Mirror, mirror, standing on the floor. Why is it my
parents, compared to money, I want more? Mirror,
mirror, I wish you could lie to me, and bring my parents
back. Bring my parents back, back. Mirror, mirror,
standing on the floor. Why is my parents, compared to
money, I want more? Mirror, mirror, I wish you could lie

to me, and bring my parents back. Bring my parents
back to me.

No mirror, lie to me, bring me back the things I see. No
mirror, lie to me... - 2x
