Mirror mirror lie to me  
Show me what I wanna see  
Mirror mirror lie to me  
Why don't I like the people I see  
The ones standing right in front of me  
Why don't I think before I come  
I should have listened to that voice inside me  
I must be stupid, must be crazy, must be out of my  
mind  
To come down here every night after night  
Mirror mirror sitting on the floor  
You don't have to tell me that my parents are gone  
Mirror mirror I wish you could lie to me  
And bring my parents back, bring my parents back to  
me  
Mirror mirror lie to me  
Show me what I wanna see  
Mirror mirror lie to me  
Show me what I wanna see  
Why did I come here anyway  
When I don't even know what this mirror does  
I let my pride get in the way  
And in the heat of the moment Dumbledore came  
I must be stupid, must be crazy, must be out of my  
mind  
Now that Dumbledore has found me I must realize  
Mirror mirror sitting on the floor

You don't have to tell me I can't come here anymore  
Mirror mirror I wish you could lie to me  
And let me come back, let me come back again  
If only wishes could be dreams  
And know my dreams could come true  
There would be three us standing here in front of you  
If you could show me what my family used to be  
Bring back my parents, my parents to me  
Mirror mirror sitting on the floor  
You don't have to tell me I wouldn't be coming back  
again  
Mirror mirror I wish you could let me in  
And let me meet my parents, see my parents again  
Mirror mirror sitting the floor

You don't have to tell me to stay in bed at nights  
Mirror mirror I wish you could come to me  
And let me see my parents again, just see my parents  
again  
Mirror mirror lie to me  
Show me what I wanna see  
Mirror mirror lie to me  
Mirror mirror lie to me  
Show me what I wanna see  
Mirror mirror lie to me
