I wanna be the very best,
Like no one ever was.
To learn them is my real test.
To claim them is my cause.
I will travel across the land,
Searching far and wide
To learn the spells and understand
The power that's inside!
Pottermon! Gotta catch the Snitch!
It's you and me!
I know it's my destiny!
Pottermon! Oh, you're my best friend
In a world we must defend!
Pottermon! Gotta catch the Snitch!
A heart so true!
Our magic will pull us through!
You teach me and I'll teach you!
Pottermon! Gotta catch the Snitch!
Gotta win Quidditch!
Yeah!

Every challenge along the way
With my wand I will face!
I'll play Quidditch every day
To claim my rightful place!
Come with me, our time's not up.
There's no better team.

Arm in arm, we'll win the Cup.
It's always been our dream!
Pottermon! Gotta catch the Snitch!
It's you and me!
I know it's my destiny!
Pottermon! Oh, you're my best friend
In a world we must defend!
Pottermon! Gotta catch the Snitch!
A heart so true!
Our magic will pull us through!
You teach me and I'll teach you!
Pottermon! Gotta catch the Snitch!
Gotta win Quidditch!

Pottermon! Gotta catch the Snitch!
It's you and me!
I know it's my destiny!
Pottermon! Oh, you're my best friend
In a world we must defend!
Pottermon! Gotta catch the Snitch!
A heart so true!
Our magic will pull us through!
You teach me and I'll teach you!
Pottermon! Gotta catch the Snitch!
Gotta win Quidditch!
Pottermon!
