Ride-o-rocket  
Ride-o-rocket

If we get to Tippy Town  
Then we're on the right course  
Pass the satellite  
We're bound to meet the force

And we'll beam, we'll beam, we'll beam, we'll beam  
Shaka  
Come ride  
Where is?  
There lies the mystery

Do ya, do ya, do ya, do ya  
Ride-o-rocket  
Oh, yeah, do it, do it, do it, do it  
Ride-o-rocket  
Aw, come on

Neptune is a place  
That I know nothing of  
So take me to Venus  
She's the goddess of love

And we'll beam, we'll beam, we'll beam?  
Shaka  
Come ride  
Must we go past the sun  
Are we the only ones  
Do ya, do ya, do ya, do ya

Ride-o-rocket  
Oh, take me to it, take me to it  
Ride-o-rocket  
Oh, right now now now now

Ride-o-rocket  
Get me there?  
Go ahead, go

Ride-o-rocket

I want to see a sunny day now now now

Ride-o-rocket  
Won't you do it, do it, do it, do it

Ride, ride, ride  
Won't you  
Ride, ride, ride  
Yeah  
Ride, ride, ride  
That's right

Must we go past the sun  
Are we the only ones  
Do ya, do ya, do ya, do ya

Ride-o-rocket  
Oooowww, I want to touch?  
Ride-o-rocket  
I want to get you there, get you there

Ride-o-rocket  
Won't you ride the rocket  
Ride-o-rocket  
I'm gonna be your morning star

Ride, ride, ride  
Ride, ride, ride  
Ride, ride, ride  
Ride, ride, ride

Ride, ride, ride (come touch the sun)  
Ride, ride, ride (baby, baby ride)  
Ride, ride, ride  
Ride, ride, ride

Ride, ride, ride  
Ride, ride, ride  
Ride, ride, ride  
Ride, ride, ride

Ride, ride, ride  
Ride, ride, ride  
Ride, ride, ride  
Ride, ride, ride
