Oh no, no  
Mystic moonlight shine on us forever  
Send me tonight words simple and true  
Cause you know that I don't have to be  
Anybody else when you're around  
We don't have to worry about all  
The dangerous sounds running outside  
I just want you to know  
How wonderful you are  
Just want you to know  
How beautiful you are to me  
Oh girl, I will love you always  
(I will love you always)  
They say in life one must wait until the evening  
To really see how splendid the day has been  
Cause you know that I don't mind the wait  
Or the thousand times that we may fall  
Cause through the dark and desperate days  
You shine and defy them all  
I just want you to know  
How wonderful you are  
Just want you to know  
(Want you to know)  
How beautiful you are to me  
Oh girl, I will love you always  
(I will love you always)  
(I look around me and I see)

How friendship and trust  
Move like ghosts through the trees  
(I know that we've found the place)  
Where honesty will open its hands to love  
Say it again  
Oh, na, na, na, o yea  
Ah  
I just want you to know  
How wonderful you are  
Just want you to know  
(Want you to know)  
How beautiful you  
I want you to know  
(Want you to know)

How very lucky this one guy can be  
Oh girl, I will love you always  
(I will love you always)  
Na, na, na, baby  
I will love you always  
(I will love you always)  
I will love you always  
I will love you always  
I will love you always  
I will love you always.
