Blind faith

I call to you right now

Let it rain on me

Let it wake the sleepless sky

Blind faith

Naked in the light

Burnin' rain o'er me

Let it breathe its life into me

Now

As I stand alone

Through fields of fire

I am reborn

Desperately I raise my fist

And smash it through the stone

I said I'm tryin'

I'm cryin', and I'm cryin'

For blind faith

Open up the night

Let it rain on me

While I hunger for the storm

Blind faith

Sacred in the light

Burnin' rain o'er me

Suddenly I've lost my way

And now

As I stand alone

Through fields of fire

I am reborn

Desperately I raise my fist

And smash it through the stone

I said I'm tryin'

O I'm cryin', and I'm cryin'

Oh no

Blind faith

I said I call to you right now

The burnin' rain o'er me

Let it breathe its life into me now

And I hunger for the storm

Oh, Oh, Oh, Oh, Oh, Oh, Oh

Blind faith

I said I call to you right now
Burnin' rain o'er me
Let it breathe its life into me now.
