Eurasian eyes are watchin' me
Like a river, o you flow through me
Eurasian eyes are runnin' still
Whispered moments cut the chill
When Eurasian eyes are watchin' me
Do you feel the passion in me
Cos I'm the one who said I'd never care
For someone like you
Now I'm the one who lacks the eloquence to say
Chorus (1):
[To say] that when the world is cold
With no-one to hold
I can only see Eurasian eyes
Love won't lie
Cause the truth would cry
That I can only see Eurasian eyes
Eurasian eyes inspire me
Look for the magic until I see
Eurasian eyes honestly
Do you feel the passion in me
Cause I'm the one who said I'd never care

For someone like you
Now you're inside me and I won't defend
What I want to do for you
[But I said]
Now I'm the one who lacks the eloquence
To say, to say
Chorus (2):
When the world is cold
With no-one to hold
I can only see Eurasian eyes
[You know] if love won't lie
Cos the truth would cry
I can only see Eurasian eyes
And if my heart is blind
Then why do I find
I can only see Eurasian eyes
Chorus (2)
