Baby kiss the sky you will be free  
Paint yourself the picture believe what you see  
Everybody gonna slow dance on the moon tonight, yea  
Baby kiss the sky and take off your clothes  
Let the summer air liberate your soul  
(Everybody) join the crossroad caravan tonight  
(Earth, sun, moon and rain will live on)  
We are all here learning to fly  
Epiphany on the horizon  
Welcome to a brave new world  
Brother (kiss the sky)  
You're alive and hear the sound  
A million angels sing and dance around  
Celebrate your life from higher ground  
Baby kiss the sky in slow-mo now  
Magic flows, it's a natural high  
(Everybody) gonna see the world from where they are  
Pilgrim, poet, painter and teacher  
We are all here learning to fly  
David, Goliath, Mary and Jesus follow to the promised  
land  
Brother kiss the sky

You're alive and hear the sound  
A million angels sing and dance around  
Celebrate your life from higher ground  
Sister kiss the sky  
And rejoice in who you are  
You are strong you belong  
On a shining star  
Resonate your life from higher ground  
[Oh]  
You don't want to lose the moment  
You don't wanna lose the feeling  
Baby kiss the sky, you will be free  
Kiss the sky  
Yea ah cha ah  
You don't want to lose the moment  
You don't wanna lose the feeling  
Baby kiss the sky  
Baby kiss the sky.
