The promese is broken  
Cause you have been gone  
Truth have been spoken  
And the damage is done

And Stop thinking about this moment  
I beg you to stay  
I'm standing here in the rain  
Whit nothing to say  
Cause you just when away

[Chorus]  
Why did you leave me here out  
In the cold  
Why do I feel like my soul  
Has been sold  
Out in the cold

??? i don't get  
You out of my head  
Maybe you won't remember  
Thing I never forget

It's so hard to get over you

Day by day  
The only thing that will last this pain  
The price you won't pay  
Cause you just when away

[Chorus]  
Why did you leave me here out  
In the cold  
Why do I feel like my soul  
Has been sold  
Out in the cold

...

Out in the cold

[Chorus... again 2x]  
Why did you leave me here out  
In the cold

Why do I feel like my soul  
Has been sold  
Out in the cold

Out in the cold  
Left Out in the cold
