Brown Boy

Lovely one
So radio

Let's do it
Can you feel it
I know you feel it
I know you feel of that

Let me talk to you baby Im diggin you're style
The way you lick your lips is like hmm, owww
You driving me wild with your sexy self
Your pretty little face got me hypnotize
All I wanna know if you're down to ride
I can open up the door and you could come inside
I could show you what life could be
I could show you

(girl)
Its just you and me

Go to the mall
You can have it all
I can tell you're impress by the way i ball
One shop with you and I will trade it all
The girls in the shows
Im talking about everything
Your touch is a beautifull thing
We can shine together like a diamond ring
I've been waiting for a girl like you(like you)
To come into my life and make my dreams come true

(Chorus)
(Brown Boy)
All i ever wanted is a girl like you
Someone I could give my heart to
(Girl)

All i ever needed was someone like you
Someone I could give my heart to

(Girl)

Ey Papi

If i put you to the test

Would you different from the rest

Or you wanna be my homey

That owns me, owns me

Only when you lonely, lonely

Imma phone you when Im looking for a friend

Until then, i need a man to take a stand on my hand

Im just ?? situation, temptation, no hesitation

When it comes to love

It got it with single touch

doesn't take much so baby just hushh

Trust, everything gonna be okay

If you do it my way, my way

Hey you wanna be with me

I'll fulfill all your fantasy

Be the girl of you dreams

Holding you tight

Up through the night (that's right)

Hmm

You even love when we fight (huh)

(Chorus)

(Brown Boy)

All i ever wanted is a girl like you

Someone I could give my heart to

(Girl)

All i ever needed was someone like you (like me)

Someone I could give my heart to

(Girl)

We can do thens things

That love is due

Or we can be friends and keep it cool

Go ahead Baby with you bad self

Lookin all fine, lolipop in your mouth(hmm)

Standing on the curve with yo bad ass curve

One look (woah)

When I had to observe

I let my eyes vanessh you

My mind caress you

Move you like a temptarony..(hmm)

If I could make you mine

You'll be my one and only

You make me say Oh like Mister Capone

(girl)

Just one look its all it took

Got me lost in your rise

And you mesmerize
But my lip hypnotize
oh my oh my (oh my)
When your body side, hide
Taking my times when Im working that body
So ????
They got you talkin naughty oh yeah

(Chorus)

(Brown Boy)

All i ever wanted is a girl like you
Someone I could give my heart to

(Girl)

All i ever needed was someone like you (like me)
Someone I could give my heart to

Ahh

can you feel it

I know you feel it
