[Brown Boy:]

Girl, Right now i just feel like is not working out  
so i htink the best thing for me to do is to let you go

[Girl:]

If you love me you got to let me know (you gotta let me  
know)  
And if you don't you better tell me so (You better tell  
me so)  
Cause i could let you go  
Let you be free (I could let you go)  
And if it's meant to be you'll come back to me  
(If it's really meant to be)

[verse 1]

Let me tell you how i feel this ain't a love song i'm just  
trying to keep it real  
you use to be my lover you use to be my friend i always  
use to tell you i'm gonna  
love you til the end  
So now in some way some things went wrong we  
started to fight, and we couldn't  
get along  
I tried to make it good but it seemed so bad I tried to  
make you happy but you seemed  
so sad  
Not only your man but your baby's dad if you don't love  
me no more then let me  
know cause i'm hurting inside but i won't let it show if  
my heart had eyes it  
would probably cry from all the pain inside.

[Girl:]

If you love me you got to let me know (you gotta let me  
know)  
And if you don't you better tell me so ( you better tell  
me so)  
Cause i could let you go  
Let you be free (I could let you go)  
And if it's meant to be you'll come back to me  
  
(If it's really meant to be)

[verse 2]

Come here pretty mami whipe those tears from your  
eyes you don't gotta ask why  
Let's just kiss and say good-bye  
I don't wanna let you go but it seems so right Like the  
right thing to do  
I know i'm the one to blame for all the shh... i put you  
through I was acting like  
a child running wild I never took the time just to make  
you smile you gave me your heart  
ans i just crushed it girl you gave me your world and i  
and i just hurt you girl  
And i'm sorry for that if you leave me now would you  
want me back  
Or once your gone then your gone i guess you move on  
But i'll leave you in my heart cause it's where it belongs

[Girl:]

Before i go to sleep  
I'll say a prayer for you  
Hoping that one day you'll have a love that's true

[Brown boy]

Baby i know i love you  
But right now i feel like let's just go our own separate  
ways  
And if it's meant to be  
I'll come back to you

[Girl:]

If you love me you got to let me know (you gotta let me  
know)  
And if you don't you better tell me so (you better tell me  
so)  
Cause i could let you go  
Let you be free (I could let you go)  
And if it's meant to be you'll come back to me  
(If it's really meant to be)
