I been livin' shady
Cheatin' on my lady
Ever since she left me
I been goin crazy
Thinkin bout my baby
I know I did you wrong, jus listen to my song
I wanna make it up to you (2x)

Now I know that you leavin' cuz it feels like I'm not
breathin'
Pain up in my chest
at night I can't rest
Cuz I toss and turn this feelin' inside
Oh how it burns to see you go away
And I guess its true what they say
When your heart goes to play, you lose the one you
love
That's somethin' that I never thought of
Now you walkin out my life
Without you in my life i got nothin' left
I shulda never came home with hickies on my neck
The hang-ups on the phone aint helpin' your stress
Cuz your tears keep fallin' like rain
I cant erase the pain
I can only try to change

I been livin' shady
Cheatin' on my lady
Ever since she left me
I been goin crazy
Thinkin bout my baby
I know I did you wrong, jus listen to my song
I wanna make it up to you (2x)

I know I aint livin' right
And I don't expect you to take me back
And I don't expect you to forgive me
But baby just listen to me

I been up and down and all around
Searchin' for you baby cuz ever since you left me
I been goin' crazy

I'm losin' my mind
Thinkin' of you all the time
Wishin' i could press rewind and get you back one
more time
If I get another try I will never make you cry
I promise to give you the best, nothin' less
Treat you like my princess and love you till the death
Till death does us part you will stay in my heart
Siempre en mi corazon
Siempre en mi vida
For life
Por vida
Tu eres mi chika dalinda
And I plan to make things right
Cuz next time around I'm gonna make you my wife

I been livin' shady
Cheatin' on my lady
Ever since she left me
I been goin crazy
Thinkin bout my baby
I know I did you wrong, jus listen to my song
I wanna make it up to you (2x)

Just tell me what I can do to make it better
I'll do anything
And I'm sorry I made you cry
I cheated and I lied
If there was some way that I could take it all back
I'd do anything
Just tell me
Tell me what to do
Cuz I wanna make it up to you

I been livin' shady
Cheatin' on my lady
Ever since she left me
I been goin crazy
Thinkin bout my baby
I know I did you wrong, jus listen to my song
I wanna make it up to you (2x)

You know I'm doin' this song to make it up to you baby
I just wanna let you know I'm real
And I'm here for you, no matter what happens
