

## Harvey Danger "A Perfect Day Elise"

He got lucky one time  
Hitting with the girl in room 509  
She turned her back on him facing the frame  
Said, "Listen Joe, don't you come here again."  
White sun scattered all over the sea  
He could think of nothing but her name, 'Elise'  
God is the sweat running down his back  
The water soaked her blond hair black  
It's a perfect day Elise  
He got burned by the sun  
His face so pale and his hands so worn  
Let himself in room 509  
Said a prayer, and cried,  
'It's a perfect day, Elise.'
