Jimmy Stewart follows Kim
To where your portrait hangs on a wall
He's such a haunting vision
he forgets his partner's fall

He jump into the San Francisco bay
I'll follow you in
When I know you can't swim
When you've been down 100 years, Carlotta

Carlotta Valdez, Carlotta Valdez
Carlotta Valdez, I will make you her

Everything's subjective
Nothing lasts but Johnny O
Kiss Kim Novak
Where the redwoods grow

I'll bleach her hair
And pretend that she didn't die
Go up the mission step, I'll follow anywhere
That is until you climb too high
'Cause I get vertigo, vertigo, vertigo

Carlotta Valdez, Carlotta Valdez
Carlotta Valdez, I will make you her

What a thing to be
The center of attention all the time
He isn't really falling for this, is he?
He's getting dizzy and so am I

Carlotta Valdez, Carlotta Valdez
Carlotta Valdez, I got her
Carlotta Valdez, Carlotta Valdez
Carlotta Valdez, I will make you her
