I had visions, I was in them,  
I was looking into the mirror  
To see a little bit clearer  
The rottenness and evil in me

Fingertips have memories,  
Mine can't forget the curves of your body  
And when I feel a bit naughty  
I run it up the flagpole and see who salutes  
(But no one ever does)

I'm not sick, but I'm not well  
And I'm so hot 'cause I'm in hell

Been around the world and found  
That only stupid people are breeding  
The cretins cloning and feeding  
And I don't even own a TV

Put me in the hospital for nerves  
And then they had to commit me  
You told them all I was crazy  
They cut off my legs now I'm an amputee, Goddamn  
you

I'm not sick, but I'm not well  
And I'm so hot cause I'm in hell  
I'm not sick, but I'm not well  
And it's a sin, to live so well

I wanna publish 'zines  
And rage against machines  
I wanna pierce my tongue  
It doesn't hurt, it feels fine  
The trivial sublime  
I'd like to turn off time  
And kill my mind  
You kill my mind  
Mind...

Paranoia, paranoia  
Everybody's comin' to get me

Just say you never met me  
I'm runnin' underground with the moles  
Diggin' holes  
Hear the voices in my head  
I swear to God it sounds like they're snoring  
But if you're bored then you're boring  
The agony and the irony, they're killing me, whoa!

I'm not sick, but I'm not well  
And I'm so hot cause I'm in hell  
I'm not sick, but I'm not well  
And it's a sin to live this well

(One, two, three, four!)
