Tie yourself to me
No one else no
You're not rid of me
You're not rid of me
Night and day I breathe
Hah hah ay hey
You're not rid of me
Yeah you're not rid of me
Yeah you're not rid of me
Yeah you're not rid of me
I beg you my darling
Don't leave me
I'm hurting
Lick my legs I'm on fire
Lick my legs of desire
I'll tie your legs
Keep you against my chest
Oh you're not rid of me
Yeah you're not rid of me
I'll make you lick my angel face
I'm gonna twist your head off, see
Till you say don't you wish you never never met her
Don't you don't you wish you never never met her
Don't you don't you wish you never never met her
Don't you don't you wish you never never met her
I beg you my darling
Don't leave me
I'm hurting
I've been lonely
Above everything
Above every day
I'm hurting
Lick my legs I'm on fire
Lick my legs of desire
Lick my legs I'm on fire
Lick my legs of desire
Yeah you're not rid of me
Yeah you're not rid of me
I'll make you lick my angel face
I'm gonna twist your head off, see
Till you say don't you wish you never never met her

Don't you don't you wish you never never met her
Don't you don't you wish you never never met her
Don't you don't you wish you never never met her
Don't you don't you wish you never never met her
Don't you don't you wish you never never met her
Don't you don't you wish you never never met her
Don't you don't you wish you never never met her
Don't you don't you wish you never never met her
Don't you don't you wish you never never met her
Don't you don't you wish you never never met her
Lick my legs I'm on fire
Lick my legs of desire
Lick my legs I'm on fire
Lick my legs of desire
