Save it for later...

Two dozen other dirty lovers
must be a sucker for it
cry cry but I don't need my mother
just hold my hair while I come
to a decision i'm in

sooner or later
your legs give way and hit the ground
save it for later
don't run away and let me down
sooner or later
you'll hit the deck, you'll get found out
save it for later
don't run away and run away and run away and let me
down

don't run away, don't run away

black hair on seven seas
a rotten crew
but what can you do?
I don't know how I meant to act with all you
but some times I don't try I just
dot dot dot dot dot
dadadadada

(reprise)

don't run away and let me down, let me down

two dozen other stupid reasons
why we should suffer for this
don't bother trying to explain them
just hold my hair while I come
to a decision on this

(reprise)

save it for later..save it for later...
