It starts at daylight  
I see him before my sad eyes  
I hear him breathing  
Oh lover, need you to lead me  
No never thought that you'd leave  
That was my veil  
That was my time  
Once held secret  
But now lies  
No words can heal my heart  
Inside i'm broken, now it's done  
Was she a pretty girl  
Does she have pretty hair  
Was she soft-spoken  
Was there a love there  
That was my veil  
That was my time  
Once held secret  
But now lies  
Give back my veil  
Give back my time  
No more secret  
You give me lies  
Give me back my veil  
Give back my life  
No more secret  
You give me lies  
Lies
