I'm walking in the city tonight  
I'm walking in the city at dark  
Remembering, remembering light  
Thinking of nothing, and the shooting stars  
And this world tonight is mine  
A world to be remembered in  
Think on a faded photograph  
My hair longer than it's ever been  
And then the sky lit up  
The sky, my friend  
And I'm lighter than I've ever been  
I saw the trees crossing the moon  
I saw the stars in the Heaven above  
Shine on my own beautiful prayer  
Shining on my own beautiful love  
The sky lit up  
And I'm dancing with him  
In this city and in this town  
I don't care what he's thinking of  
Just take the car, just take my hand  
The sky lit up
