Speak to me of  
Universal laws  
The whores hustle and the hustlers whore  
All around me  
People bleed  
Speak to me  
Your song of greed

Speak to me  
Of you inner charm  
Of how you'll keep me  
Safe from harm  
I don't think so  
I don't see  
Speak to me  
Of your inner peace

Little people  
At the amusement park  
City people  
In the dark  
Speak to us  
Send us a sign  
Just give us something  
To keep us trying

The whores hustle and the hustlers whore  
Too many people out of love  
The whores hustle and the hustlers whore  
The city's ripped right to the core

Speak to me  
Of heroin and speed  
Genocide and suicide  
Of syphilis and greed  
Speak to me  
The language of love  
The language of violence  
The language of the heart

This isn't the first time

I've asked for money or love  
Heaven and earth  
Don't ever mean enough  
Speak to me  
Of heroin and speed  
Just give me something  
I can believe

The whores hustle and the hustlers whore  
Too many people out of love  
The whores hustle and the hustlers whore  
The city's ripped right to the core
