hey there Luna I'd like to tell you  
how sad am I so love sick I could die  
needing water my neck's stiff my head hurts  
been looking up all night been looking up the Moon  
she's so bright  
she's so white she's so clean  
I'm telling you she's everything  
I'd give it all my sorry eyes  
give just everything she's got me so mesmerized  
yeah I wish I was Yuri-G  
it's just the things that she does to me  
yeah I wish I was Yuri-G  
been biting my memory  
June bug doctor you make a figure  
needles to kill her she'll be your neuter  
I stuck them in real clean  
I stuck them in her mouth  
I drove her down on me  
I drove them with a smile  
I'd give it all you see  
I'd give my sorry eyes  
I'd give just everything she's got me so mesmerized  
yeah I wish I was Yuri-G  
it's just the things that she does to me

yeah I thought I was Yuri-G  
been back in my memory  
I stuck them in real clean  
I stuck them in her mouth  
I drove her down on me  
I drove them with a smile  
I'd give it all you see  
I'd give my sorry eyes  
I'd give just everything she's got me so mesmerized  
yeah I wish I was Yuri-G  
it's just the things that she does to me  
yeah I thought I was Yuri-G  
been back in my memory  
yeah I wish I was Yuri-G  
I bet the women crawl all over me  
yeah I thought I was Yuri-G  
been back in my memory

been back in my memory  
been back in my memory
