I picked up my belongings in a nylon carry-all  
I hear the porter call  
Said "the sky's the limit on this chartered trip away,"  
I guess I'd better stay

Out there on the desert, I see trees on every wall  
Nothing's ever solved  
Said "the sky's the limit on this chartered trip away,"  
Guess I'd better stay away

I thought I owed myself a trip away  
I wanted to go to places I have never been away  
I looked at the pictures, imagine where they lay  
Away on a beach by the sand, where their clothes all  
lay away

Horizon is oblivious, chartered trip away  
Said "there's no returning from this chartered trip  
away."
