I've felt so many times  
my dreams come alive  
cuz every night  
your on my mind

see i can't face the pressure  
by being all alone  
i need somebody like you  
to be my stepping stone

cuz i've spend too much time  
thinking of a way  
to keep you off of my mind  
but I think about you every-dayy

[Piano Riff]

Everyday

now i can pawn a star

from the reflection of the night  
in your eyes, every night  
and live in light of it, all my life

these feelings are so beautiful  
ohh

it's been too long  
so i'll paint them with this song

ohh  
i can't get you  
out of my mind  
no

[Piano Riff]

Every-dayyyyyyyyyy!  
ohhh
