The words had all been spoken  
And somehow the feeling still wasn't right  
And still we continued on through the night  
Tracing our steps from the beginning  
Until they vanished into the air  
Trying to understand how our lives had led us there  
Looking hard into your eyes  
There was nobody I'd ever known  
Such an empty surprise to feel so alone  
Now for me some words come easy  
But I know that they don't mean that much  
Compared with the things that are said when lovers  
touch  
You never knew what I loved in you  
I don't know what you loved in me  
Maybe the picture of somebody you were hoping I  
might be  
Awake again, I can't pretend, and I know I'm alone  
And close to the end of the feeling we've known  
How long have I been sleeping  
How long have I been drifting alone through the night  
How long have I been dreaming I could make it right  
If I closed my eyes and tried with all my might  
To be the one you need  
Awake again, I can't pretend, and I know I'm alone  
And close to the end of the feeling we've known  
How long have I been sleeping  
How long have I been driftin alone through the night  
How long have I been running for that morning flight  
Through the whispered promises and the changing  
light  
Of the bed where we both lie  
Late for the sky
