(performed by Jackson Browne and Timothy B. Schmit;
from the Bye, Bye Love motion picture soundtrack,
1995)

I bless the day I found you
I want to stay around you
And so I beg you
Let it be me . . .

Don't take this heaven from one
If you must cling to someone
Now and forever
Let it be me . . .

Each time we meet, love
I find complete love
Without your sweet love
What would life be?

So never leave me lonely
Tell me you love me only
And that you'll always
Let it be me . . .

Each time we meet, love
I find complete love
Without your sweet love
What would life be?

So never leave me lonely
Tell me you love me only
And that you'll always
Let it be me . . .
