Chorus of Angels
Destroy my silence
That haunts me, that claims me
When darkness walks beside me

Chorus of Angels
Destroy my silence
That haunts me, that claims me
When darkness walks beside me

I saw the Angels sing
Along to wake up the beautiful sleeping world
Their voices will rise to test the strength of men
Wake up the beautiful sleeping world

(We fall down)
We will see the fire
The skies will open up
The clouds will burn red and
Our sins will forget us
And time will not shake us
Our hearts are made of gold
These walls won't overtake us
These walls won't overtake us

I saw the Angels sing
Along to wake up the beautiful sleeping world
Their voices will rise to test the strength of men
Wake up the beautiful sleeping world

We will see the fire
The skies will open up

The clouds will burn red and
Our sins will forget us
And time will not shake us
Our hearts are made of gold
These walls won't overtake us
These walls won't overtake us

I saw the Angels sing
Along to wake up the beautiful sleeping world

Their voices will rise to test the strength of men
Wake up the beautiful sleeping world

Chorus of Angels
Destroy my silence
That haunts me, that claims me
When darkness walks beside me

Chorus of Angels
Destroy my silence
That haunts me, that claims me
When darkness walks beside me

(Chorus of angels
lead me in a prayer that will shake the foundations
of the earth.
Wake up now)
I saw the Angels sing
Along to wake up the beautiful sleeping world
I saw the Angels sing
Wake up the beautiful sleeping world
