

Haste The Day "In Memory"

Visit "[In Memory](#)" on MotoLyrics.com

In memory of losing you
Take it for granted
To the ones who knew you well
To the ones who knew you well
Sing sweet lullabies to pass the time
If you only knew
If you only knew
Segways, treachery was all you bled
If you only knew
If you only knew

Timeless words
You had the chance (Words)
You had the chance to leave
Words of misery
You had the chance
You had the chance to leave
Still you stayed
Still you stayed
Still you stayed
Still you stayed

In memory of losing you
Take it for granted
To the ones who knew you well
To the ones who knew you well
Sing sweet lullabies to pass the time
If you only knew
If you only knew

By the timeless words
These wanted miseries
You had the chance
You had the chance
Still you stayed

In memory of losing you
Take it for granted
To the ones who knew you well
To the ones who knew you well
Sing sweet lullabies to pass the time

If you only knew
If you only knew

You had the chance
