Ooh, I can't go any further than this (yeah that's right)
Ooh, I want you so badly, (yo) it's my biggest wish

Cool, I spent my time just thinkin', thinkin', thinkin' 'bout
you
Every single day, yes I'm really missin', missin' you
And all those things we used to, used to, used to do
Hey girl, wuz up? It used to, used to be just me and you

I spent my time just thinkin', thinkin', thinkin' 'bout you
Every single day, yes I'm really missin', missin' you
And all those things we used to, used to, used to do
Hey girl, wuz up? Yo wuz up? Wuz up? Wuz up?

Can you meet me halfway, right at the borderline?
That's where I'm gonna wait for you
I'll be lookin' out night 'n' day
Took my heart to the limit and this is where I'll stay

Wooa wooa, Oh I can't go any further than this
Wooa wooa, I want you so bad, it's my only wish

Girl, I travel round the world and even sail the seven
seas
Across the universe and all the other galaxies (that's
right)
Just tell me where to go, just tell me where you wanna
meet
I navigate myself, myself to take me where you be

'Cause girl I want, I, I, I want you right now
I travel uptown, town, I travel downtown
I wanna to have you around, round like every single
day
I love you alway, ways, I'll meet you halfway

Can you meet me halfway right at the borderline?
That's where I'm gonna wait for you
I'll be lookin' out night 'n' day
Took my heart to the limit and this is where I'll stay

Wooa wooa, Oh I can't go any further than this
Wooa wooa, I want you so bad, it's my only wish
Wooa wooa, Oh I can't go any further than this
Wooa wooa, I want you so bad, it's my only wish

Let's walk the bridge to the other side
Just you and I
Just you and I
I will fly, fly the skies for you and I
Just you and I

I will try until I die for you and I
F-f-f-for you and I
F-f-f-for you and I, f-f-f-for, f-f-f-for you and I

Can you meet me halfway?
Can you meet me halfway?
Can you meet me halfway?
Can you meet me halfway?

Halfway right at the borderline
That's where I'm gonna wait for you
I'll be lookin' out night 'n' day
Took my heart to the limit and this is where I'll stay

Wooa wooa, Oh I can't go any further than this
Wooa wooa, I want you so bad, it's my only wish
Wooa wooa, Oh I can't go any further than this
Wooa wooa, I want you so bad, it's my only wish
