Why can't you feel this?  
Can't you understand I feel this?  
This is nothing  
I can see my reflection in your cheek bone  
We've been playing out this script in your mind  
Here we go with a fresh perspective  
Paint the walls with your stone faced tactics  
And we'll walk around  
Eyes on the crowd  
And don't you think about tomorrow

Our time has come  
We'll watch the waters drown  
Out the apathy  
Our time has come  
We'll watch the waters drown  
Out the apathy

Here we go with a fresh perspective  
We paint the walls with your stone faced tactics  
Here we go with a fresh perspective  
We'll paint the walls with your stone faced tactics  
And we'll walk around  
Eyes on the crowd  
And don't you think about tomorrow

Our time has come  
We'll watch the waters drown  
Out the apathy  
Our time has come  
We'll watch the waters drown  
Out the apathy

Why can't you feel this?  
Can't you understand I feel this?  
And we'll walk around  
Eyes on the crowd  
And don't you think about tomorrow

Our time has come  
We'll watch the waters drown

Out the apathy  
Our time has come  
We watch the waters drown  
Out the apathy

Our time has come  
We'll watch the waters drown  
Out the apathy  
Our time has come  
We watch the waters drown  
Out the apathy
