These lights are gone
My ears hear no sound
Folding between the skin and bone

We will hear and know
Folding back our ears
And slow grows our heart
Searching for, searching for

Searching for the sound
The secret in your eyes
Is your voice dead to me?
Or just too far away?

Searching for the sound
I'm listening
When scenery is taken

These lights are gone
My ears hear no sound
Folding between the skin and bone

Between the skin and bone

We will hear and know
Folding back our ears
And slow grows our heart
Searching for, searching for

Searching for the sound
The secret in your eyes
Is your voice dead to me?
Or just too far away?

Searching for the sound
I'm listening
When scenery is taken

We will hear and know
Searching for, searching for

Searching for the sound

The secret in your eyes
Is your voice dead to me?
Or just too far away?

Searching for the sound
I'm listening
When scenery is taken
