Scaring times - the time before Antichrist return
Magic thrill - awakening of the ancient winds of Sheol
Opened tombs - his aim is world wide conflict never
seen
Equality of gods - is the first step on the way to ruling
the earth

Your daemon protectopr will stand beside your life
His ruling inevitable you must take a bow
Blessed are those who worship his uncountable name
Through hate to eternity is your only way

Satan's words never die, his call now burns in minds
No voice from hell - their pain needs sacrifice
Satan's words never die, his call now burns in minds
No voice from hell - their pain needs sacrifice...

Wake up and stand before the Antichrist
Evil unwind - contradiction of love
He is only god, so worship his name
Pick up the fruit with which he temptates

Your daemon protectopr will stand beside your life
His ruling inevitable you must take a bow
Blessed are those who worship his uncountable name
Through hate to eternity is your only way...
