They came with different names
but bore the mark of the old.
They came with different names
and bore the mark of the old.
We've tried to run
but it's no use
and all this time we've
reached the point of desperation.
In these iron walls we hide
but we leave the gates wide open.

FOR NOW

We are here and we are one.
and hearts are empty.

FOR NOW

For the waking of the sun
is not that easy.

FOR NOW

We are here and we are one.

I will never be the same
but I'll burn
with a heart of fire.
It's never going to be the same
when I see their faces.
They came with different names
but bore the mark of the old
and from their lips came the same strain
that's waking up
that's waking up the sun.

FOR NOW

We are here and we are one.
and hearts are empty.

FOR NOW

For the waking of the sun
is not that easy.

FOR NOW

We are here and we are one.

They came with different names
but bore the mark of the old

We are waking up the sun.
Waking up the sun.

FOR NOW
We are here and we are one.
and hearts are empty.

FOR NOW
For the waking of the sun
is not that easy.

FOR NOW
We are here and we are one.

FOR NOW
We are here and we are one.

We are waking up the sun.
