He'll bury us all in misery

Where are you now?  
When the world is crashing  
And all the creatures are calling  
Where are you now?  
In the rhythm with the subtle sound  
Of him whispering

You are wounded now, I know  
You are wounded now  
And the world is crashing down,  
I know  
It's crashing down

He'll bury us all in misery  
Buried underneath this mountain of control  
I am the white light in the Potter's eyes  
When you come wandering home

Where are you now?  
In this time,  
I've wandered to find the way out  
But I am the spawn of the wolf and the jackal  
And there is no hope for me  
There is no hope for me

Which is why instead of walking upright,  
You walk with a crooked spine

And you'll bury us all in misery!  
Misery!

Misery, buried underneath this mountain of control  
I am the white light  
In the Potter's eyes  
When you come wandering home

I am the spawn of the wolf and the jackal  
So hear the sound within me!  
I am the spawn of the wolf and the jackal

So hear the sound within me!
