Well you look in the mirror and what do you see a starin back at your eyes and ain't it gettin any clearer that you can't change your life just because you never tried

and ain't it strange these days in my life

well you gotta save me you gotta save me cmon and save me baby save me from myself

oh yeah and i looked around goin from town to town most everyday and then i look in here eyes and it's no surprise that she's comin my way most every day oh yeah

Why don't you blow out the candles and come closer to me babe you gotta stick around and is it too hard to handle when you're playin one horse games baby in this here two horse town
