I curse you all!

I, in the kingdom of wrath  
Upon the ashes of cities burned  
I shall make the world the bloodiest of ages

Your days are numbered  
Your world is finished  
Your life is over, extinct  
To fight is futile!

I curse you all!

Fury within  
I deplore you all  
Fury within

I, upon the day of wrath  
Amidst the smoke and flames of ruin  
I shall make you burn upon the stakes

Useless your attempt to overthrow me  
Spineless, you cower with lack of loyalty  
I shall not grant you resolve for your wrongs

Plead for mercy, you shall be denied  
You beg for empathy, so pathetic your deceit, your lies  
I thrive in your weakness, confessor of heresy  
Never again shall I believe in your lies!

Hate! Hate!  
Hate! Hate!  
Hate! Hate!  
Hate! Hate!

Hate! Hate! I demand my vengeance  
Hate! Hate! I shall never retreat  
Hate! Hate! Suffer through unsurmountable pain  
Hate! Hate! You coward, you Judas

I denounce your ideology  
I will overrule your ways

As I thrust myself upon thee

You shall suffer the fate of dis  
Dissolve in the ashes of earth  
You must face the day of reckoning!

I curse you all!  
Fury Within!  
I deplore you all!  
Fury Within!
