Dolly going out in her Sunday Best,
Bow in her hair and her panties wet,
She's got a baby face, sweet and innocent,
Licks her lips when no one's lookin'.
I've heard em say she's got no shame,
She hates flowers and she don't wear pink,
Ya better watch it 'cause she'll tear you apart,
Catch your eye and rip out your heart!
'cause she's a little doll with a big attitude,
Slim, sexy, raunchy and rude,
And if you try and get in her way,
She only has one thing to say,
And she says:
Fuck you and Fuck this and Fuck that,
Fuck everything I never had,
I chew gum and kick ass,
I do it all in my Sunday Best,
And I say-
Fuck you and Fuck this and Fuck that,
Fuck anything I can't have,
I chew gum and kick ass,
I do it all in my Sunday Best.

She's got long hair and skin of porcelain,
Sharp eyes and whore-red lips,
Hiding knives in her mary-janes,
You'll fall in love and never know her name.
She's not a doll that'll take your crap,
Only happy when she's living FAST,
Going out in soiled dress,
Sweet looks that'll rip you to shreds,
'cause she's a little doll with a big attitude,
Slim, sexy, raunchy and rude,
And if you try and get in her way,
She only has one thing to say,
And she says:
Fuck you and Fuck this and Fuck that,
Fuck everything I never had,
I chew gum and kick ass,
I do it all in my Sunday Best,
And I say-
Fuck you and Fuck this and Fuck that,

Fuck anything I can't have,
I chew gum and kick ass,
I do it all in my Sunday Best
