Horrible Thoughts
Blacken my eyes
Pure Rage
In my heart
Wish to
Defy

Rip off
My chains
In a world where only dust remains
Rip off
My chains
In a world where only dust remains

I feel the hate in me rising
I feel the anger beneath
My heart is wizen

My endless nights
Through pain
Through struggle
A rain of sorrow
No hope just desperation

It's our wish to defy

Why I'm so angry
Just a matter of time
Before I shall reign
