

Hate May Return "No Way Out"

Black Clouds
Darken my
Horizon
No cure
And every needle
That tears a hole
Is a dull chapter
In my life

My composure
Infected by doubts
My life's a book
Filled with pages of remorse

No way out
Through this mess
The misery still remains
No way out
Through this mess
It pains me again and again

I'm left alone
In this hole

There's no way for me to
Get out of here

I have to
Overcome this suffering
Rewrite my story
Not give in
Use my hatred
As an inducement
And change
My life
