It's 9:00, time to go
Ante up, for some blow
Shit time is here, throw in some cash
Shit time is now, time for the crash

Pale white face, nose is bleeding
One more line to go
Roll the bill, snort your thrill
Soon you life unfolds
Pale white face, nose is bleeding
One more line to go
Roll the bill, snort your thrill
Soon you life unfolds

Ante up, Ante up, Ante up, mamma

Ante up, Ante up, Ante up, addict

It's 4am, I'm naked and sweaty
Another 8 ball, fuck I'm ready
My nose is running, I think it's time
Bust out the packie, lay out the lines
I think I'm through
Dying in an alley, naked and blue

Ante up, Ante up, Ante up, you fucking freak
Ante up, Ante up, Ante up

Ante up motherfucker
