They follow this one man  
Reality they can't understand  
They think that he is christ  
Controlling all of their lives  
They all live on a ranch  
Guarding it day and night  
These fucks have no chance  
To have a normal life

Brainwashing is the key  
To this society  
Led by an inbred fuck  
With visions of hypocrisy

They want to preach their words  
They want more fucks to join  
To start a colony  
To start a family

No thoughts now to deceive  
He begins to believe  
Suicide is the way  
For us to get away  
No chance now to get out safe  
Surrounded by the F.B.I.  
Engulfed in tons of gasoline  
Light the match, it's time to die
