A new life begins!

Destroy Everything! (x3)
Obliterate what makes us weak,
Destroy Everything! (x3)
Decimate what threatens me.

Cleanse this world with flame
End this, cleanse this
Rebuild and start again
Obliterate what makes us weak
End this and embrace the destruction
End this to embrace new life (new life!)
Even a nothing threat, deserves a response you won't
soon forget,
I must destroy everything that tries to infect.
Even a nothing threat, deserves a response you won't
soon forget,
I must destroy everything that tries to infect.

Destroy Everything! (x3)
Obliterate what makes us weak,
Destroy Everything! (x3)
Decimate what threatens me.

Cleanse this world with flame
End this, cleanse this
Rebuild and start again
Obliterate what makes us weak
End this and embrace the destruction
End this to embrace new life (new life!)
Even a nothing threat, deserves a response you won't
soon forget,
I must destroy everything that tries to infect.
Even a nothing threat, deserves a response you won't
soon forget,
I must destroy everything that tries to infect.

A new life begins!

Destroy Everything! (x2)

Obliterate what makes us weak,
Destroy Everything! (x3)
Decimate what threatens me.
Destroy Everything! (x3)
So a new life can begin,
Destroy Everything! (x3)
Rebuild this start again,
AGAIN!
