Last breath has gone
No time anymore
I remember my life

Things that I've done
Fights that I've won
Without a meaning at all ? Now!

When death has arrived
And your body is cold as ice
No way to turn back
No chance left to change the facts

Now I face the mistakes
Mistakes that you can't erase
Too late for a change
Can't take back what I've said

Last breath has gone
No time anymore
I remember my life

Things that I've done
Fights that I've won
Without a meaning at all ? Now!

Last breath has gone
No time anymore
I remember my life

Things that I've done
Fights that I've won
Without a meaning at all ? Now!

When death has arrived
And your body is cold as ice
No way to turn back
No chance left to change the facts

God give me a chance
A chance for a second try

Like a mindless it hurts
To accept this bungled life
