You can run, but you can't hide  
I want back what is mine  
Now's my time to attack  
To teach the lesson called payback  
Broken arms and broken legs  
It's too late for you to beg  
Nothing can set you free  
Now you have to deal with me  
Now you're lying in a pool  
Of your own piss and blood  
Thinking that I will stop  
I have only just begun  
This is your fucking fault  
I'm not the one to blame  
Now you have realized  
I won't play your fucking games!!!  
When I ever think of you, it makes me fucking sick  
What I will put your through you deserve, you fucking  
prick  
You will see your mistake is when you will cross my  
path  
You no good scumbag bum, now it's time to feel my  
wrath  
You can run, but you can't hide  
I want back what is mine  
Now's my time to attack  
To teach the lesson called PAYBACK!!!
