Sometimes it's hard  
To live my truth of life  
The daily fight  
Against my human mind  
I'm pzyco but still alive  
For me two wrongs make one right  
The way I choose --  
Might be o.k. today --  
Don't need to say  
I don't care anyway --  
What for? What for?  
I'm pzyco but still alive --  
For me two wrongs make one right  
Can you explain me your sight? --  
Or give me a piece of the pie!

All that I give --  
Is what I got before --  
That was in fact --  
The pain I got from you --  
No more! No more!  
I'm so alone --  
Please come with me on my ride --  
Within my heart --  
I know I can turn the tide --  
Should I?  
I'm pzyco but still alive --  
For me two wrongs make one right  
Can you explain me your sight? --  
Or give me a piece of the pie!  
Sometimes it's hard --  
To live my truth of life --  
The daily fight --  
Against my human mind  
Alive [3x] --  
But I'm still alive [4x]
