You left without a trace
Afraid to show your fucking face
You are a piece of shit...TRAITOR
Murdering is too good
For the fucking likes of you
Pain is what you deserve...TRAITOR
Revenge is what I want, I can't fucking wait
To finally track you down, protective custody
Is what you will need, to keep me from hurting you
Your day will come soon, with a terrifying speed
Your painful destiny...TRAITOR
I am coming to hunt you down
It's only a matter of time, until you are found
You left without a trace
Afraid to show your fucking face
You are a piece of shit...TRAITOR
Murdering is too good
For the fucking likes of you
Pain is what you deserve...TRAITOR
Revenge is what I want, I can't fucking wait
To finally track you down, protective custody
Is what you will need, to keep me from hurting you
Your day will come soon, with a terrifying speed
Your painful destiny...TRAITOR
