You never tried to face problems in this world  
Impassable mind,  
Do you know that you're

Blind, dumb, deaf  
Blind, dumb, deaf  
Blind, dumb, deaf

Shut your mouth, close your eyes, forget all that you've  
heard  
Shut your mouth, close your eyes, forget all that you've  
heard

Hey dude, one day the bill will be paid  
Passive like you are all the fools in this world  
Sitting in your locked cage

You never tried to face problems in this world  
Impassable mind,  
Do you know that you're

Blind, dumb, deaf  
Blind, dumb, deaf

Blind, dumb, deaf

Shut your mouth, close your eyes, forget all that you've  
heard  
Shut your mouth, close your eyes, forget all that you've  
heard

Hey dude, one day the bill will be paid  
Passive like you are all the fools in this world  
Sitting in your locked cage

Blind, dumb, deaf  
Blind, dumb, deaf  
Blind, dumb, deaf

Shut your mouth, close your eyes, forget all that you've  
heard

Hey dude, one day the bill will be paid  
Passive like you are all the fools in this world  
Better stay in your cage!
