Grown together, Brothers in the end

BTC, BTC, BTC

Living our dreams

Acting, drinking, conquer the land

BTC, BTC, BTC

Breakin' your rules with pride

We don't care any word you say

Cause we know -- We are on the right way

The right way!

This is HATE SQUAD 1997 -- BI -- TAH -- CREW!

Bros. we met, countries we've seen

Will always be in our memory

If our way our life will end

BI -- TAH CREW will strike again -- Strike again

HATE SQUAD '97 -- Life approved
