You tell me you got treated like dirt  
The unwanted son - Not needed at all  
You blame your misery on your past  
Born into a life - Surrounded by crime

Cause and effect  
The cause was your life - Crime the effect  
Cause and effect  
The cause was your life - Crime the effect

Hey that's no excuse  
Some were born to lose  
Others found their way out  
Try even if you doubt

Just look where you are at now  
And where you can be if you only try!

Cause and effect  
The cause was your life - Crime the effect  
Cause and effect  
The cause was your life - Crime the effect

Hey that's no excuse  
Some were born to lose  
Others found their way out  
Try even if you doubt  
Try!

The unwanted son - Not needed at all  
You blame your misery on your past

Others found their way out

Try even if you doubt  
Try!
