I'm the sadist in your mind
Believe me!
Death is better than your life

Blood! Hate! Pain! My only aim!

Decay of your life
Alone Â– No place to hide
Today I'll rape your mind
Obey Â– But never see the light

Sucker I piss Â– Piss on your pleas
Nowhere to hide from homicide

I'm the sadist in your mind
Believe me!
Death is better than your life

Blood! Hate! Pain! My only aim!

Decay of your life
Alone Â– No place to hide
Today I'll rape your mind
Obey Â– But never see the light

Sucker I piss Â– Piss on your pleas
Nowhere to hide from homicide

I'm the sadist in your mind
Believe me!
Death is better than your life

Die now!
